More details can be found at www.trypraying.co.uk

INFORMATION EVENING

There will be an information evening on Thursday 20th June at 7.30pm in the Sanctuary

This is to give an update on the progress the working team have made with respect to the changes the church is going through. It will give the team an opportunity to explain the complete process and where we are in that process. We will also take the church through the next steps. A timeline will also be available.
